Subject: Wilcox Oil Company Public Notice Tear Sheets

Bill:

Attached are scans of the tear sheets for the Wilcox Oil Company public notice, run in the Bristow News Record on May 31 and June 5, 2013.

The newspaper was slow in sending the tear sheets to us, and when they did, they sent them electronically rather than mailing the physical newspaper pages.

Let me know if the electronic tear sheets will suffice. If they will not, I can follow up with the newspaper and ask for the paper pages to be mailed.

Thank you.
